July 1, 2015

Illustrious Sirs and Nobles all:

For the first time in a long...long...time, Kora Shriners will host the 2015 Northeast Shrine Fall Field Days in Lewiston Maine area. The last time that Kora hosted the Northeast was in 1999. All the events in 1999 were held in the Greater Portland Area. Kora’s home town of Lewiston-Auburn has grown tremendously in the past several years and is now able to support the Shriners and their families that are expected to be present the weekend of September 17 to 20.

A Team of Kora Nobles has been working diligently over the past year to plan and make preparations for the event. All of the pertinent information and registration forms relating to the upcoming Northeast are available on the Northeast Shrine Association website www.ne-sa.org. Additionally, the same information is available on the Kora Shrine website at www.korashriners.org.

The website contains an overview and all the registration forms for the events.

Kora is planning a very special weekend including an opening ceremony in Veterans Park on Thursday evening. This will give all of us an opportunity to let the community that we are here for the weekend and come out to see us. Saturday morning will include the Clown Competition at the Auburn Mall. Saturday will also be a full day of other events, the morning will and motorized competitions also at the Auburn Mall, musicians from all over the Northeast will be performing in downtown Lewiston during the morning as well and Saturday afternoon at 2 the parade through downtown Lewiston steps off. We anticipate a large turnout by the Nobles and general public. Throughout the weekend, the Marketplace will be open in the Oasis at Kora. The Ladies luncheon will take place at Kora on Saturday noon and will conclude in time for the Ladies to watch the parade as it marches by the front of the Temple. Parade marchers will be treated to camel’s milk at the conclusion of the parade at Kora.

Following the parade, the Highlanders will conduct a Ceilidh (Kay-lay, meaning fun and concert) on Gritty’s outside deck. The Saturday night awards ceremony and banquet will be at Simard Payne park beginning at 5:30. The overview of each event and the registration forms are on the website. Please do not hesitate to get your registrations in for all the events and don’t miss a minute of this historic occasion.

Any questions, comments and suggestions, please feel free to contact Kora Shrine office or the members of the NSA 15 committee as listed on the website.

Stay tuned for more here in downtown Lewiston-Auburn!!!
