

Legacies within Philae????

Do you have a Father, Grandfather, Son, Grandson, Uncle, Nephew, Cousin or In-Law that is also a Shriner? Then, you belong to a Legacy.

Any Shriner relative connection that you have, we want to hear about it. We are currently working on a list of Legacies of Philae Shriners. We aim to be able to recognize and celebrate our families within our family of Shriners. Shrinersvillage.com has a way to enter yourself and your legacies to receive a pin from Shriners International, but we would like to make a ceremony of it.

Please share with me your Name and contact information, as well as, any and all relatives, past and present, that can be called Nobles. Let us know if they were/are members of our Temple or any other Temple. You will be entered into Shriners Village as a legacy and invited to a special ceremony to honour these family ties.

Please send all information to kevinkirkbride1973@gmail.com

Here is the direct link for more information about our Legacy Program in Shriners Village (log in required).
